SPRINGTIME WORKING BEE  THIS Saturday, 8th Sept  9am—1pm

Our mammoth working bee is open to anyone who can spare some time this Saturday, 8th Sept between 9.00am and 1.00pm, concluding with a sausage sizzle.

The working bee will greatly assist in maintaining our learning environment and the parish/school grounds along with an excellent opportunity to meet and share time with fellow parents. Target areas include: clearing garden beds, painting, plumbing, lawns & clearing drains.

For catering purposes please advise the office if you are attending.

Thank you in anticipation of your assistance.

Last night Annelise Stockey and members of CTK Staff welcomed Br Patrick Howlett as guest speaker at our Parents & Friends Association Meeting.

During the meeting we looked at learning for our future and for the world our children are entering. Br Patrick comes with many years of expertise and shared some wonderful success stories explaining how this approach adequately prepares our children for their future.

Some of these included stories of very bright students competing with other bright students for jobs but in his experience “the students who learnt how to work as part of a team and learnt flexible working styles were at a greater advantage than the brightest child in the school who couldn’t work in a team”.

At the conclusion of the evening many people commented on the confidence that they felt here at CTK as we work towards preparing our children for the future. It is great to be part of a community moving forward together.

The night was informative and entertaining and we thanked Br Patrick for his time with us.

Father’s Day Celebrations  A huge thank you to Connie Este (Fundraising) and Belinda Abdallah (Social) and their helpers for organising fantastic Father’s day celebrations. A yummy morning tea saw lots of contented Dads sitting in the sun sharing the liturgy with their children.

Father’s Day Stall  The Father’s Day stall was a great success! There was great joy to be seen as each class came and ‘shopped till they dropped’ for their Dads and Carers. We hope you enjoyed it all!

Finally, the Fete is well underway under the guidance of Linda Sassine and her committee. We look forward to hearing from the fete committee at our next P & F meeting which will be held NEXT WEDNESDAY, 12TH SEPTEMBER FROM 1.30—3PM. This will give us a chance to also address any general business that we did not have time to look at last night.

A MATHS CLUB IS COMING TO CTK!

In a first for CTK, we are starting a Maths club that will take place once a week in term 4. The purpose of the club is to extend mathematical abilities and challenge capabilities. Maths learning can be fun and can be challenging at the same time.

The Maths club will take place on a Wednesday mornings from 8:30am and provide challenges at all levels of learning. The first Group will be our “Project Group”, a group of students from year 6 that are invited to participate for the first few weeks. This is to ensure that the purpose is met and any problems that may arise in the initial planning can be overcome.

Looking forward to sharing this new and exciting venture with you.

**GAMES DAY** A GOLD COIN DONATION event run by the Year 6 children who are fundraising for their end-of-year activities.

**TOMORROW, Thursday 6th September Years 3-5**

Games will be held on the oval. Children will eat their lunch and then move to the oval where they will participate in a variety of games. **YEAR 6 JERSEYS** The Year 6 Jersey for 2013 will be ordered in Term 4 of this year. This will enable the children to wear their jersey through the whole of their final primary school year.

Year 5 will begin their sizing session soon. Costing information will be advised when the jersey design has been finalised. We hope to be able to use this pre-order system for all students going into Year 6 in the future.

If you have any enquiries, please contact the school office as soon as possible.

**IT'S TIME TO CHECK**

We ask that parents regularly check their child’s bag (each day would be great) as children sometimes may forget to pass on messages and notes that come home during the week. More importantly children sometimes put their jumpers, books and other items in other peoples’ bags by mistake.

Additionally, we ask you to please take 60 seconds to check that all of your child’s school uniform is actually theirs and that they have not picked up and are wearing someone elses’ jumper, tracksuit pants etc. You would be surprised. Many thanks for your support in this area.

Last Wednesday the students watched and participated in a live educational musical around some of the short listed books from this year’s Book Week. It was a thoroughly entertaining and fun show that all of the students enjoyed.

The students enjoyed some great Father’s Day shopping last Wednesday which would not have been possible without the volunteer mums on the day to help guide them around their choices. Thank you for a great morning.

A special thanks to the army of 19 mums who turn up on wrapping night in the hall the Tuesday evening before. We managed to have over 700 gifts wrapped, ribboned and sorted and the hall cleaned up in 2 hours. A mammoth effort and a lot of fun and a very efficient production line.

The SRC through the eyes of its representatives

It feels very important to be the SRC member for Kindergarten because I can help the school by showing others how to follow the PBL rules.

Ella Maroun, Year 1

I have a chance to make our school a safer place and it makes me feel happy.

Anthony Elliott and Evelyn Delord, Year 2

To me, being an SRC member means that I have to be a responsible person and that I have to help make the school a better place.

Marcus Georges, Year 3

It means you have to be nice, be a model for your grade, help people if they are hurt, be a leader and follow the rules.

Angelique Elchaar, Year 3

It is important to be an SRC member because you are the one people look up to.

Angelina Wehbe, Year 4

An SRC member is a big responsibility because you need to make big decisions about new activities. I feel proud that I was chosen by my grade to be their representative.

Eric Dwyer, Year 4

Being a part of the SRC feels like I am standing up for the school, changing it to a better and safer place for everyone. I feel responsible because I am able to make important decisions such as introducing new games for the playground.

To be an SRC member makes me feel like I am responsible and others recognise that. When I feel a little down, I can think to myself “My peers think I am worthy to be an SRC member.” I feel a sense of responsibility and leadership and am determined to continue making our school the wonderful place that it is. It is great to have this role and being able to help my fellow students.

Bridie Croxford, Year 5

Being in the SRC feels great. It means that I’m a school leader and that’s a very big achievement for me. Being a SRC member makes me feel lucky that I was chosen by my peers to take on such a role requiring great trust.
