Dear Parents,

This Sunday heralds the start of Holy Week with the celebration of Palm Sunday. On this day we celebrate Jesus' procession into Jerusalem just days before his death and resurrection on Easter Sunday. Sunday also celebrates the end of the Lenten season. Holy week is a great opportunity for us all to reflect on the last forty days of reflection, repentance and renewal in our lives. It is time to assess how we made a difference in the lives of others throughout this Lenten season.

Next Thursday we invite you all to journey with your child's grade as we follow the Stations of the Cross and reflect upon the passion and death of our Lord Jesus Christ. Our Year 4 students and their teachers will reenact the stations as we gather to pray and reflect upon the pain and suffering Our Lord endured in the final days of His life. Each grade group will take up to an hour and a quarter to complete the stations. Strollers and prams are not permitted as each group will journey to each of the stations across the school precinct up and down stairs, which will make it difficult to use these devices. This is NOT a performance or a concert, but a somber prayerful time for our children to reflect on the final days of Jesus' life. Please see inside the newsletter for details of each grade's time to journey through the stations next Thursday. We look forward to you joining us on Holy Thursday as we begin the celebration of the most important event on the Church's calendar.

Due to our main focus on Holy Thursday being the Stations of the Cross we have decided to hold our Easter Hat Parade on Holy Tuesday 29th March the day we return to school following the Easter break. The hat parade will be held on the oval following our post *Easter- Jesus is Risen* liturgy which will commence at 9:15am. All parents are welcome to join us for our post Easter liturgy and the hat parade on Tuesday week.

Last week all families received information regarding the formation of new parent support committees for 2016. These committees are designed to assist with the organisation and facilitation of various events in the CTK calendar throughout the year. Our goal is to get as many families involved on at least one of these committees thus sharing the organizational responsibility. If you have not returned your volunteer preferences it would be greatly appreciated if you could do so by next Monday 21st March.

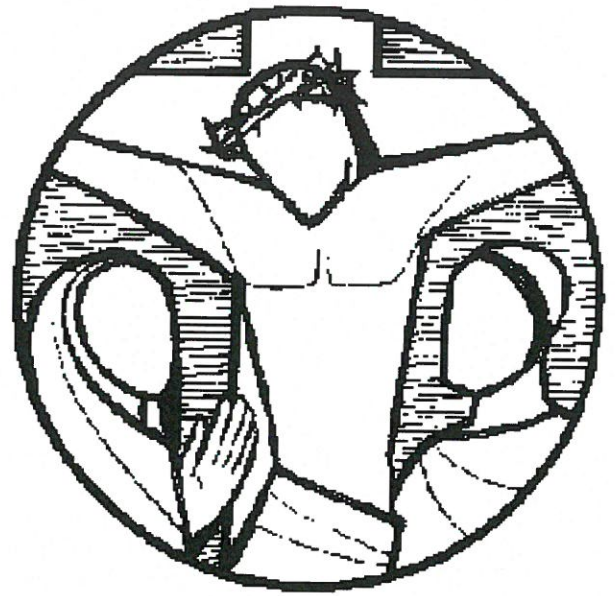

Thank you to those families who supported the World Youth Day raffle in recent weeks. The Diocesan Office, in preparation for the draw this Sunday, has collected all tickets for the raffle. All proceeds from the raffle will go towards supporting our young pilgrims who make their way to WYD in Poland later in the year. Thank you for your support of this Diocesan initiative.

Have a great week!

Holy Week Liturgy - Stations of the Cross

On Thursday March 24, 2016 Christ the King Primary will be participating in the Stations of the Cross as part of our celebrations for Holy Week. The fourteen Stations of the Cross represent events from Jesus' passion and death. At each station we will use our senses and our imagination to reflect prayerfully upon Jesus' suffering, death, and resurrection. This is a somber and prayerful reflection, which allows us to follow in the steps of Jesus as he walked the Way of the Cross. We appreciate the preparation and work of our Year 4 students and their teachers who will be reenacting this event for our community.

Parents are warmly welcomed to join us at the Stations of the Cross. Due to the stations being located around the school site, strollers and prams will not be permitted. All visitors who are attending the Stations of the Cross will also be required to park off the school site, as the COLA and Mary MacKillop Hall will also be used as part of this reflective liturgy.

Please find below a timetable stating the times that each Grade will be participating in the stations. Parents who would like to attend are asked to meet at the Infants Playground five minutes prior to the starting time.

We look forward to you joining us on Holy Thursday as we begin the celebration of the most important event on the Church's calendar.

Easter Liturgy and Easter Hat Parade

On Tuesday March 29, 2016 Christ the King Primary will be celebrating Easter as a whole school liturgy in the Church. After the Liturgy we will be moving to the School Oval where the children will parade in classes, their Easter Hats to all their peers, teachers and parents.

Children are invited to wear their hand-made creation on the day. Please do not go to any expense, but rather let your children's creativity and imagination shine using resources from around the house. This is a fun event to celebrate Easter as a whole community.

Student News
Welcome to Week 8

We are nearing the end of the term; wow it has gone by so fast.

Last week we had the opportunity to showcase our learning, and the wonderful classrooms of our school, as we celebrated *Catholic Schools Week* with open classrooms. Students in Year 6, 2016 conducted guided tours around the school. It was great to see so many new families have the opportunity to share, interact and engage in our learning community.

We are now in the 5th week of Lent. We as Catholics take the time to stop and think and have the freedom to ask for God's forgiveness.

This year is the year of Mercy and we challenge you to give people the freedom of our Mercy on them. We should all try to be merciful to others during Lent and this Year of Mercy.

Quote of the day:

*"When given the choice to be right or **kind** choose **kind**". R.J Palaccio*

Sincerely,
Juliette and Anthony

Kindy Reads with Parents

This week our kindergarten teachers have organised extra reading opportunities for their students. They have implemented a buddy reading program with some parents.

Our wonderful school parents have volunteered to assist in reading, maths and the identification of letters and sounds several mornings a week.

When the parents come in they read with the children to help cement learnt strategies in English and Maths. While it boosts their confidence it also encourages them to read fluently.

We look forward to the continued love of reading in our community.

Interview With Our Year One Teachers

Welcome back to '**Meet the teacher**'. This week Alannah, Jayden and Hannah spent time with our Year One teachers finding out about the learning that is happening in year one.

Mr Cairns and Miss Keen were both very excited to be interviewed. It was clear that they both love mathematics and reading. This was obvious as the two teachers love both these subjects and they do a very good job teaching them.

It's Year One's second Year at CTK and they are doing so well in their learning. Their reading is progressing and their number skills are growing.

Miss Keen has been at CTK for two years and Mr Cairns for four years. This has given them a great opportunity to help the children grow academically and personally.

The Year One teachers love reading so much that they have set up extra reading session. Year 6, have buddied up with Year One to help them with their reading every Monday and Thursday.

Year One has begun the year with some hard thinking and learning. They have a jam packed curriculum "we make the learning fun, as we don't have time for free play," stated Mr Cairns and Miss Keen. They have created science characters named 'Bob and Sue' to motivate the children to visually remind them to put on their investigating hats.

Miss Keen & Mr Cairns are using a model of inquiry to investigate how different materials mix and combine. Also, they are reading the BFG and learning about the Enchanted Garden "which will help us find the magic in reading" said Miss Keen.

Year One are growing in their learning and what an enriching environment their teachers have created for them.

Re: Donations for the Jesuit Refugee Service Foodbank

To the Christ the King Community,

On behalf of Jesuit Refugee Service and the people we serve, I would like to express our gratitude for the overwhelmingly generous donation of food and toiletries from the Christ the King Parish in North Rocks.

There are roughly 35 people who come to pick up food from JRS every fortnight, but those 35 people represent more than 150 people, including children, spouses, brothers and sisters, elderly parents, and friends in need of support.

Nearly all of the people we work with who are seeking safety and protection in Australia, are living well below the poverty line. While the focus of the foodbank is to provide people with free grocery items to help relieve their weekly expenses, foodbank is also about dignity, compassion and accompaniment. People should not have to worry about choosing between paying rent and feeding their families, but that is all too often the reality.

Thank you again for your support. Your donation has made a difference in the lives of many people and for that we are truly grateful.

Sincerely,

Maeve Brown

Compeer volunteers spend one hour per week for 12 months with their new friend enjoying social activities in your local area (eg catching up over a coffee or taking a walk in the park – you can both decide together what you would like to do each week). No experience necessary as full training and support is provided. Due to our waiting list for participants in need of a friend, Compeer is currently recruiting male and female volunteers aged 45 years and over.
